Ricard Rice
Future Employer
300 Broadway #23 San Francisco, CA

Dear Mr. Rice

As a recent graduate of the Academy of Art University, I am very interested in the work produced by your firm. My education and design experience demonstrate my ability to conduct primary research, experiment with various design approaches, and discover diverse possibilities in the field of the design.

The work I have seen from your firm reflects the true meaning of design— creating emotional impact and touching people’s lives. I aspire to be part of your creative design team and would welcome the opportunity to contribute my professional skills and personal enthusiasm. At your convenience, I would love an opportunity to arrange for a Zoom interview to show you my work and talk about what I can contribute to your firm. In the meantime, I have enclosed my résumé and samples of my work.

Once again, I am very enthused at the possibility of becoming a member of your creative team and look forward to talking with you soon. Early next week, I will call to discuss a convenient time for us to talk. Thank you for taking time to review my résumé and portfolio samples.

Sincerely,

Giung (Louie) Ryu
